AGREEMENT

In the event a vehicle is required to be removed from the street at the discretion of the Public Works Supervisor the 95 Towing Service shall be utilized and by Agreement will bill the owner-of-record of the vehicle for the removal and storage charge(s). Once the town notifies the towing company it will serve as notice to the towing company that the vehicle needs to be removed regardless of whether the owner removes the vehicle prior to the towing company's arrival on scene. The **Town of Howland** shall not cancel a towing company once they have been dispatched thus causing the towing company a loss of revenue. It shall be the towing company's sole responsibility to arrange collection of any charges against the owner-of-record of any vehicle removed.
